December 1, 2011

Dear Alumni,

We are pleased to invite you to the 12th Annual Alumni Return Day, which is scheduled for Friday, December 23, 2011. The purposes of the program are to give you a chance to see your old classmates and teachers and to share what you have learned about college life with the current student body. The returning alumni will gather in the cafeteria at about 8:30 a.m. to receive the room assignments where you will speak. During second period, the alumni will present their colleges in the AAHS classes. You will be able to familiarize students with college life and help them make their own college related choices. There will be a rotation of presenters, depending on how many alumni can return. Please be prepared to share the following insights:

- Tell us something about your college.
- What did you expect college to be like? What is it really like?
- How hard is it to find time to study? How hard is it to have a good social life?
- What advice would you give about what to do and what not to do to prepare for college?
- Share any college search advice you may have.

After the presentations, you will have an opportunity to visit with your classmates and the teachers until the end of the lunch/activity period (11:30 a.m.).

We are asking that all alumni who are planning to attend let us know as soon as possible. Your timely response will give us ample time to schedule the sessions accordingly, and ensure that the program runs smoothly. If you are in touch with your fellow classmates, and/or any alumni in other graduating classes, please pass along the information to them and let them know that they are welcome to attend.

If you are planning to attend, please email any (or all) of the Guidance Staff listed below to let us know. We look forward to seeing you on Alumni Day!
